4.	indirectly - a reflection of His glory. By what means does God show His glory to believers? See Hebrews 1:3.
5.	What characteristic qualities of God are found in Exodus 34:6-7 ? List as many as you find and consider why these attributes are important to you as you continue to better know and grow in your relationship with God.
6.	What affirmation does God make to Moses in Exodus 34:10 ?
7.	In verse 14 , the Lord, once again, refers to Himself as "jealous." In fact, He makes "Jealous" His name. Remember, God is not jealous <i>of</i> anything—He can't be, since He is all sufficient, lacking nothing. He is jealous <i>for</i> what is His, and that includes you. It can be argued that in human relationships jealousy is part of love. How so? (For help, think in terms of how protective love may factor into a parent/child relationship or a marriage.)
8.	When Moses came down from Mount Sinai, his face was radiant because he had spoken with the Lord (verse 29). Paul refers to this occurrence in 2 Corinthians 3:7-18. Read these verses and make note of what stands out to you or what point(s) you think Paul is making on this basis of this event.
